Cookie Policy

Last updated: 9 June 2026

This Cookie Policy explains how Imperial Connect Limited ("TradeBooster", "we", "us", "our") uses cookies and similar technologies on our website at <https://www.tradebooster.co.uk>. It should be read alongside our Privacy Policy.

1. What cookies are

Cookies are small text files placed on your device when you visit a website. They help the site work, remember your choices, keep you logged in, and measure how the site is used. We also use similar technologies such as local storage and pixels, and we refer to all of these as "cookies" in this policy.

2. The cookies we use

Strictly necessary cookies. These are needed for the site to work and cannot be switched off. They include cookies that keep you logged in, secure your session and remember your privacy choices.

Cookie	Set by	Purpose
Authentication / session	Supabase	Keeps you logged in and secures your session
Security and fraud prevention	Stripe	Helps Stripe process payments securely and detect fraud during checkout
Consent preference	TradeBooster	Remembers your cookie choices

Analytics and other non-essential cookies. At present we do not use analytics or other non-essential cookies. If we introduce them in future, we will update this policy and ask for your consent before setting them.

3. Location from your IP address

To show you locally relevant results, we work out your approximate location from your IP address when you visit. This is done on our servers and does not require a cookie. We use this only to localise what you see. More detail is in our Privacy Policy.

4. Your choices

Because we currently use only strictly necessary cookies, we do not show a consent banner. These cookies are always on because the site cannot work without them. If we introduce non-essential cookies in future, we will ask for your consent first and add a cookie settings option to the site.

You can also control cookies in your browser settings, including blocking or deleting them. If you block strictly necessary cookies, parts of the site may not work.

5. Third party cookies

Some cookies are set by the third parties named above (such as Supabase and Stripe) to provide their part of the Service. Those providers process data under their own privacy and cookie policies. We list our main providers in our Privacy Policy.

6. Changes

We may update this policy from time to time. The "last updated" date shows when it last changed.

7. Contact us

For any question about cookies, email support@tradebooster.co.uk.
